

MISS TEEN RODEO NEBRASKA 2007

Hello Everyone!

Since starting my reign on August 8th I have been having an AMAZING year.

I began my year at the Keith County Fair (which takes place in my hometown). There I met up with the local royalty and we all attended the Ranch Rodeo. The following night I attended the Fair Board BBQ and ate some tasty Nebraska Beef and mingled with the crowd. I also helped with the 4-H baked good auction. The following day I went to Arthur where I carried the American flag, attended the BBQ dinner, and even though I had no autograph sheets, I signed autographs on everything from rodeo programs to homework assignments. That Sunday I attended the Keith County Fair parade and helped with the coronation of the Ogallala Round-Up Royalty.

The next month I attended the NSRA Finals. The Thursday before the finals I met with Mardee Swanson and the Velvet Spurs to go over the Grand Entry and practice carrying the huge and heavy, but still very beautiful American Flag while Sharon Halligan sang. On Saturday I hosted the area queens. This year everything went smoothly and it didn't pour, so that was a plus. In the afternoon we helped out with the kid's rodeo. That was a lot of fun and we had quite a blast watching our sponsors ride "barebacks" on the stick ponies. That evening I met with Carol Schlegal before I went back to the second rodeo performance, and we talked about things I have done and would like to do. The next day the area queens and I served the President's Luncheon at the Awards banquet. I also met and took some pictures with the Woodhouse representative. Following the NSRA Finals, I emceed the Little Miss Rendezvous and Mr. Mountain Man pageant during the Ogallala Rendezvous. I also rode in the parade with the Ogallala Royalty.

These are the appearances I have made so far. I plan on going to a celebrity book reading at Hall Elementary on the 15th of November. I am really excited to do this because I really want to promote literacy in children. Also on the 17th of November I am attending Erin's Send-off before she goes to Las Vegas. I am so excited for her and wish her the best.

I cannot wait to further my travels as Miss Teen Rodeo Nebraska promoting rodeo and literacy. I hope everyone has a safe Thanksgiving and I hope to see you all at Erin's send-off.

God Bless,

Tamara Moorhead
