NEBRASKA'S FIRST LADY OF RODEO

MISS RODEO NEBRASKA 2008 KRISTEN SCHOTT

I hope that everyone is having a great new year! I have been super busy preparing for my year as Miss Rodeo Nebraska, and things couldn't be going any better! I have been blessed in so many aspects. I had a wonderful coronation on January 4th at the DeVent Center in Norfolk, Nebraska. I would like to thank everyone who made it there to support me. If you were unable to attend, you missed out on a great party! I have also recently received my chaps from Denise Langley of Cortez, Colorado. They are absolutely beautiful and are definitely the star item of my wardrobe. If you run in to me some time this year, please ask to see them; they truly are a work of art!!

I kicked off my year by traveling to Denver, Colorado for the Denver Market. I am definitely a bargain shopper, so whole sale costs are right up my alley. A big thank you is in order to Steve and Shelly Morris who were gracious enough to open their home to me during that time. I had a great time shopping at and browsing through all of the businesses that were at the market. I got a lot of things donated, including a rain slicker from Outback, a new pair of Buckaroo Boots from Twisted X, and jewelry from Cindy Smith Company and West & Company (Free is always Good!). Jodee Burnham from Dry Creek Western Wear allowed me to sit in on some of her meetings with Wrangler and Roper; I got to see some really cool things. During this weekend, I was also lucky enough to attend the Wrangler Party. This VIP party had an marvelous buffet that included prime rib! Just in case you don't know, prime rib is my all-time favorite food, so I took full advantage of the situation (again, free is always good)! After market I was able to return home for a few days, however, I soon found myself on the road again. This time I traveled to Kearney, Nebraska for the Kearney Home Show. I signed so many autographs that I actually developed a blister!! I had a great time with Paul Fredrickson from Fredrickson Construction. I also got to meet Bob the Builder. Additionally, Paul took me out for a great prime rib dinner at Grandpa's Steakhouse in Kearney. I would definitely recommend eating there if you are ever near the Kearney area. I was truly spoiled that weekend.
